DAVID ARTHUR

Chapter 1: Anger

Title: The Angry, Fiery Dragon

Meet Draco. A young dragon with emerald scales that shimmered like dewdrops in the morning sun. His eyes, the color of amber, held a warmth that could melt the coldest heart.

Yes, he was a good dragon. But beneath his beauty, Draco struggled with a strong feeling. His fiery temper that he had trouble controlling!

In the heart of the Whispering Woods, where magic danced on every breeze, Draco's roars of frustration would sometimes even shake the trees.
